

HOLLYWOOD MOMS

Parks tells *Us* Dylan (bottom, Datetk in *Citytk*) thinks big bro Ayden is "the best thing since milk chocolate!"

Phaedra's Rich Life

➤ **Phaedra Parks'** 6-year-old son, Ayden, knows how to steal the (reality) show. When Bravo's *Real Housewives of Atlanta* (Sundays at 8 p.m.) shoots at their Atlanta, Georgia, mansion, "he's like, 'I'm here! Where's my special mic? Let's get started,'" says Parks, also mom of Dylan, 3 (with ex **Apollo Nida**). "He's a ham. Every room is his stage!" The single lawyer, 43, dishes more.

Q: Is Dylan an extrovert like Ayden? Dylan's a homebody. He doesn't like crowds. I asked what he wanted for his birthday and he said, "Some barbecue ribs and red velvet cake."

Q: What kind of mom are you? I talk to the boys like adults — and they use it against me. They'll say, "This is sabotaging me." I'm like, "Sabotage? Where did you pick up that word?" Dylan says, "From you!"

Q: How do you enforce rules? We do a point system. Dylan empties the little trash and Ayden makes the beds. If they get enough points, we can go to the toy store after church.

Q: Any time for dating? I'm open. I'm a Biblical type of woman so I think it's good when a man finds a woman. If he finds Phaedra, then I'm ready!

1. Parks and her boys cheered on the Atlanta Falcons Jan. 22. **2.** "All treats with my sweets," the reality star captioned this Halloween shot. **3.** First grader Ayden (bottom, Datetk) "plays chess and golfs twice a week," notes Parks. "Dylan loves museums and the aquarium."
