

Audrey, now in her second trimester, is craving sour treats — including what Jeremy calls “all the worst candy!”

JEREMY & AUDREY ROLOFF

BABY ON BOARD!

It was a night of *very* big news for *Little People, Big World*'s **Jeremy** and **Audrey Roloff**. After a January 7 gender reveal bash for 26-year-old Jeremy's twin, **Zach**, and wife **Tori**, 25 (it's a boy!), Audrey felt ill and took a pregnancy test — which was positive! “I was so surprised,” the Barre instructor, 25, tells *Us* exclusively. “It didn't hit me until I heard the heartbeat at our first doctor's appointment.” Jeremy says his parents — **Matt**, 55, and **Amy**, 52 (divorced last May) — were overwhelmed to hear a second grandchild is on the way, adding, “My dad teared up and my mom screamed.” Audrey, due September 1, has visions of a big brood: “We want at least four!” Until then, the duo, who wed in September 2014, are happy their little one can bond with a cousin close in age. Jokes Audrey, “Zach wants his kid to boss ours around the same way Jeremy bossed Zach!”
