

# LEADING LADIES

OCTOBER 2014

## SELENA GOMEZ

After a brief career hiatus, the singer, 24 — once a fan of braids and whimsical ensembles — reemerged at the 2016 American Music Awards with a complete style revival. Of note: a sleek, sophisticated low ponytail that allowed her scarlet Prada stunner to shine.

NOVEMBER 2016

JUNE 2015

## RUTH NEGGA

The 35-year-old's hairstylist Vernon François shapes her curls using Re~Vamp moisture spray, and makeup artist Melanié Inglessis highlights Negga's beauty with peachy Chanel blush: "I love to have her freckles showing."

JANUARY 2017

JANUARY 2016

## VIOLA DAVIS

How to get away with looking younger: a bright, fitted gown. Celeb stylists Rob Zangardi and Mariel Haenn tell *Us* vibrant styles like the Armani Privé the *Fences* star, 51, donned for the Oscars exude "confidence."

FEBRUARY 2017

MAY 2016

DECEMBER 2015

## GWEN STEFANI

After divorcing Gavin Rossdale in April 2016, the *Voice* coach, 47, ditched a blunt platinum lob for softer blonde waves. Her hairstylist Danilo tells *Us*, "She loves the playfulness."

MARCH 2017

DECEMBER 2016

## KATY PERRY

For her makeover hair, the pop star, 32, wanted "Michelle Williams' color and Scarlett Johansson's cut," says colorist Justin Anderson. Perry Snapchatted March 2, "I feel very free."

# TURNING HEADS

MARCH 2017

FEBRUARY 2017

## KRISTEN STEWART

The actress, 26, gladly agreed to buzz her hair for her new film *Underwater*. While her usual hair guru Adir Abergel didn't wield clippers, he wasn't surprised either: "Kristen is fearless."

FEBRUARY 2017

APRIL 2016

## OLIVIA WILDE

Stylist Harry Josh cropped Wilde's flowing ombré mane into a blunt two-tone lob in December. Post-trim, the mom of two, 33, described herself as a "Debbie Harry wannabe."

SEPTEMBER 2016

## KERRY WASHINGTON

Pilates guru Nonna Gleyzer handles the *Scandal* star's lean muscles. Within a few months of having son Coda on October 5, the mom of two, 40, resumed workouts, targeting her biceps, triceps, and deltoids with resistance bands. Says Gleyzer, "We really built her upper body."
